Mutual Investments Help Men Sleep at Night

REMUTUAL LIPE OF CANADA has had the benefit of shrewly far-sighted had the benefit of shrewly far-sighted coursel in the placing of its investments. Government bonds, Municipal bonds and debentures and such securities form a very large proportion of the total investments of the Company. Many of these, purchased during high interest for long terms to come.

The strength of these selected investments means absolute security for Mutualists. The profitable income they assure lowers the cost of Mutual insurance, because under the Mutual principle, the entire not profits are paid back to policyholders.
